

HOUSTON COUNTY APPRAISAL

2023 ANNUAL REPORT

Introduction

The Houston County Appraisal District is a political subdivision of the state of Texas. The Constitution of the State of Texas, the Texas Property Tax Code, and the Rules of the Texas Comptroller's Property Tax Assistance Division govern the operations of the appraisal district.

Mission

The mission of the Houston County Appraisal District is to discover, list and appraise property as accurately, ethically and impartially as possible in order to estimate the market value of all property within the boundaries of the district for ad valorem tax purposes. The district must make sure that each taxpayer is given the same consideration, information and assistance as the next. This will be done by administering the laws under the property tax system and operating under the standards of:

- The Property Tax Assistance Division of the Texas State Comptroller's Office (PTAD),
- The International Association of Assessing Officers (IAAO), and
- The Uniform Standards of Professional Appraisal Practice (USPAP).

Governance

The appraisal district is governed by a **Board of Directors** whose primary responsibilities are to:

- Establish the district's office,
- Adopt its operating budget,
- Contract for necessary services,
- Hire the Chief Appraiser,
- Provide advice and consent to the Chief Appraiser concerning the appointment of an Agricultural Advisory Board,
- Approve contracts with appraisal firms selected by the Chief Appraiser to perform appraisal services for the district,
- Make general policies on the appraisal district's operations, and
- Biennially develop a written plan for the periodic reappraisal of all property within the district's boundaries.

To be eligible to serve on the board of directors, a person must have resided within the boundaries of the county for at least two years prior to their appointment. The person's terms are not staggered. There is a term limit of a total of 10 years a person may serve as a board member.

The Chief Appraiser is the chief administrator of the appraisal district and is appointed by the Board of Directors. The Chief Appraiser must be licensed (or actively working toward licensing) as a Registered Professional Appraiser (RPA) through the Texas Department of Licensing.

Members to the **Appraisal Review Board** are appointed by the Administrative Law Judge. ARB members serve two year staggered terms with limited terms. They must be certified by the Texas Comptroller. Their

responsibility is to settle value disputes between the taxpayer and the Appraisal District. Their decisions regarding value are binding to the chief appraiser for the tax years protested.

The Ag Advisory Board is appointed by the Board of Directors at the recommendation of the Chief Appraiser to aid in determining typical practices and standards for agricultural activities in the district. They serve at the will of the Board of Directors.

The majority of the land not associated with minerals is rural with agricultural production the main use, making farming/ranching and timber production notable occupations in the county.

Appraisal Operation Summary

Appraisers utilized the district's GIS mapping software and the 2022 IP Imagery to properly estimate acreage for ground coverings and soil classifications according to the NRCS Soil Survey.

District appraisers continued to make on-site inspections of improvements according to its Reappraisal Plan (as adopted in August 2022) and use Pictometry to locate property in isolated locations.

Cost tables for all improvements were reviewed and updated by sales analysis or Marshall Swift as of January 1, 2022 and the district's cost tables were updated and modified where needed.

The district conducted an internal ratio study to validate the accuracy of its mass appraisal system with the following overall statistical results:

		95% Confidence Interval	
		Lower	Upper
Mean	1.1524	0.97	1.05
Median	0.9836	0.96	1.00
Weighted Mean	0.9907		
Coefficient of Dispersion - Average	30.174		
Absolute Deviation	50.1578		
Standard Deviation	0.7708		
Number of Sales	169		

Based upon the Mass Appraisal Standards adopted by the International Association of Assessing Officers, the above statistics indicate that the district's mass appraisal system is accurately and uniformly appraising property

- Filed Material/Mechanic's Liens,
- Mobile home installation reports,
- Septic tank permits,

- Advertisements,
- Railroad Commission Reports (oil/gas)
- Field discovery, and
- Public "word of mouth" and

Exemption Data

Property owners may qualify for a variety of exemptions as provided by the Texas Constitution. Some of the most commonly occurring exemptions are described below. Other less commonly occurring exemptions are available and described in the Texas Property Tax Code, Chapter 11.

Residential Homestead

The following chart represents the total exemption amounts available to homeowners who qualify for this exemption on homesites with a maximum of 20 acres:

Jurisdiction	General	Over 65	Disability	100% Disabled Veteran	Over 55 Surviving Spouse
Houston County	20% \$5,000 min	10,000	10,000	100%	10,000
City of Crockett	20% \$5,000 min	9,000		100%	9,000
City of Grapeland		*		100%	
City of Kennard				100%

Grapeland Hosp				100%	
ESD#1				100%	
ESD#2				100%	

For school tax purposes, the over 65, disability, surviving spouse, and 100% disabled veteran residential homestead exemptions create a tax ceiling prohibiting increased taxes on the homestead on *existing buildings*. (Any new areas added to the homesite will cause the ceiling to be readjusted and set in the subsequent tax year.)

* Per Texas law Grapeland City has adopted a tax ceiling for over 65 and disabled beginning 2012.

All homeowners who qualify for the residential homestead exemption are subject to the placement of a **homestead cap** on their qualifying property which prohibits the increase of taxable value on the homestead property to ten percent per year. However, the market value may still be reflective of the local real estate market.

Disabled Veterans

In addition to the residential homestead exemption allowable to disabled veterans with a 100% service connected disability (as described above), disabled veterans are allowed a general exemption on any property they own based upon the percentage rating as determined by the Department of Veteran's Affairs. Current exemptions amounts, as based upon these ratings, are:

Percentage Disability	Exemption Amount
10-29%	5,000
30-49%	7,500
50-69%	10,000
70-100%	12,000

Other Exemptions

Other commonly occurring exemptions are:

- Cemetery Exemptions,
- Religious Organizations,
- Primarily Charitable Organizations, and
- Veteran's Organizations.

Other less frequently occurring exemptions are allowable and described in Chapter 11, Property Tax Code.

State law required the district to mail Notices of Appraised Value to property owners where:

- New property has been included for the first time on the appraisal roll,
- There has been an ownership change,
- There has been a change in taxable value of \$1,000 or more,
- The property filed a rendition statement of the property, or
